Dear Friend,

Please mark your calendar and plan to join us at **"A Second Dance at Life!"**
Saturday, April 6, 2024.

A Second Dance at Life is a lively evening that includes a "celebrity" dance competition, dinner, auction, after-party and more. **This year, we will honor Lifebanc, our Northeast Ohio Organ Procurement Organization, led by CEO Gordon Bowen.**

This special event was created by a local couple- Lisa Vegas and her husband Matthew Miller. They are, respectively, professional ballroom dancer and liver transplant recipient. Since Matthew's transplant nearly nine years ago, this energetic and passionate duo have celebrated his gift of life by helping others on the transplant "journey," with a vision of a day when no one goes through the experience feeling alone and isolated like they did.

I hope you will review the enclosed materials and **become a sponsor of A Second Dance at Life**, thereby helping us cover the costs of the event and enabling us to direct more of the proceeds into our mission. In addition to sponsorships, we are looking for table hosts (10 individuals per table) if that is more appropriate for your circumstances.

I am available to answer any questions you may have and can be reached at 216-973-2691 or email me any time at elainet@transplanthouseofcleveland.org. I can't wait to celebrate life together with you during this special evening! You will be very glad you came.

Sincerely,

Elaine Turley
Executive Director
