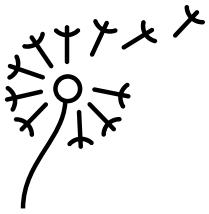
Transplant House of Cleveland

Wish List

We are a nonprofit home-away-from-home for patients and their families traveling to Cleveland for an organ transplant. Some of our guests stay here for many months to obtain this medical care and deserve a welcoming place to stay, surrounded by a caring community, to alleviate some of the financial burden of medical costs and travel, and to ensure they are not isolated.

Transplant House provides such a place with the assistance of individuals and businesses. In addition to **direct financial gifts of any size**, Transplant House gratefully accepts the **donation of goods** that are needed to equip this home. They are the same goods that are needed in your home.



- Gift cards to Michael's or Hobby Lobby
- Dinner for ~30 people
